COST CODE 7631

**Reason for Credential:** Except as provided under s. 101.862 (4), Stats., no person as of April 1, 2013 may install, repair or maintain electrical wiring unless the person holds a license or registration issued by the department as a licensed master electrician, licensed residential master electrician, licensed journeyman electrician, licensed industrial journeyman electrician, licensed residential journeyman electrician, registered beginning electrician, registered electrical apprentice, registered industrial electrical apprentice or a registered residential electrical apprentice. A person holding a journeyman electrician license may apply without examination for a UDC-electrical inspector certification.

**Requirements of Credential:** A person who holds a license as a licensed journeyman electrician shall perform electrical wiring activities under the general supervision of a person who holds a license as a licensed master electrician or may perform electrical wiring activities under the general supervision of a person who holds a license as a licensed residential master electrician provided the wiring is associated with dwellings, dwelling units and detached accessory buildings and structures serving the dwellings

or the dwelling units, such as garages, carports, gazebos and swimming pools.

**Education Hours Required to Renew:** The renewal of a journeyman electrician license, with an expiration date after June 30, 2007, shall be contingent upon the person obtaining at least 24 hours of acceptable continuing education by March 30th of the year their credential expires. A person who holds a credential as a certified journeyman electrician may apply to the department for waiver of the continuing education requirements on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department. A person who initially obtained his or her journeyman electrician license by completing an electrical apprenticeship and whose request to renew his or her certification is denied because of the failure to fulfill the continuing education requirements shall be required to take and pass the certification examination in order to reacquire the journeyman electrician license.

If you pass the exam to obtain this credential, you will not be required to take any continuing education prior to your first expiration date. You will be required to fulfill the continuing education requirements starting after you have renewed your credential for the first time. If you obtain this credential by any other method, you will be required to fulfill the continuing education requirements at least 3 months prior to your expiration date.

## Applying for Journeyman Electrician Credential

A person may obtain a credential as a certified journeyman electrician by either one of the following:

Method 1 Completing the necessary hours of experience and taking and passing the journeyman electrician license examination.

Method 2 Submitting evidence of completing an electrical construction apprenticeship program and the program has been recognized by the department under ch. 106, Stats., and the federal department of labor.

**\* WI apprentices only:** All Construction Electrician apprentices who wish to complete their apprenticeship after Dec. 31, 2011 are required to pass the Journeyman exam before their apprenticeship will be completed. You must contact the Bureau of Apprenticeships to obtain a letter stating you are eligible to take the exam. Attach this letter and apply under method 1.

### **Are you a Veteran?**

If yes, please answer the following questions to see if you qualify for a fee waiver or equivalency for this credential.

#### **1. Are you requesting a waiver of your initial credentialing fee under method 1?**

☐ Yes Provide a copy of your Department of Veterans Affairs voucher code. DVA Voucher Code: \_\_\_\_\_

Your application fee of \$35 will be waived now and your credential fee will be waived once you pass the exam. **You must submit \$30 for the exam fee at this time.**

☐ No Submit the fee of \$65.

#### **2. Are you requesting a waiver of your initial credentialing fee under method 2?**

☐ Yes Provide a copy of your Department of Veterans Affairs voucher code. DVA Voucher Code: \_\_\_\_\_

☐ No Submit the fees listed in the table below.

#### **3. Are you requesting equivalency of your military training and experience?**

☐ Yes Provide copies of your service school academic reports, certificates of training, or training documentation signed by your unit's training NCO or any other relevant experience that would satisfy the requirements of method 1 or 2. You may attach a personal narrative to further explain why your education / training / experience in the military has helped you prepare for this profession.

☐ No Complete the requirements under method 1 or 2.

**You may contact DVA at 1-800-WisVets or [www.WisVets.com](http://www.WisVets.com) for assistance in obtaining your DVA Voucher Code and/or documents related to your training and experience.**

## Method 1 - Hours of Experience and Examination

**Application and Exam Fee (nonrefundable):** \$ \_\_\_\_\_ class code 7631

Make checks payable to: State of WI – DSPS. The fee consists of a \$35 application fee and an exam fee of \$30. When the exam is passed, the applicant will be asked to pay a \$100 credential fee which will be prorated because the credential expires on a specific date. The credential, which will be issued after the exam is passed and the prorated credential fee paid, will be effective for four years from June 30<sup>th</sup>.

**Qualifications for Examination:** A person applying for a journeyman electrician license examination shall have at least 1,000 hours per year of experience for at least 5 years in electrical construction work. If a person has successfully completed semesters in a school of electrical engineering or other accredited college, university, technical or vocational school in an electrical-related program, the applicant may claim 500 hours of experience for each semester up to a total of 2,000 hours and 2 years toward the required experience.

\* All Construction Electrician apprentices who wish to complete their apprenticeship after Dec. 31, 2011 are required to pass the Journeyman exam before their apprenticeship will be completed. You must contact the Bureau of Apprenticeships to obtain a letter stating you are eligible to take the exam. **Attach this letter and select the date below.**

The time period does not have to be consecutive years from one row to the next. In the Time Period column fill in the beginning month and year and the ending month and year in which the experience hours were completed. In the Experience Hours column fill in the number of hours claimed for that time period but do not record more than 1000 hours in the column even if you worked more than 1000 hours. If the hours were witnessed by more than one person, the hours witnessed by each person must be filled in on separate rows. Photocopies of this page may be made if you need additional room or would like to mail to witnesses to sign. The witness must have observed or had knowledge of the number for work hours performed in electrical construction. Electrical construction means the installation of electrical wiring. Electrical construction does not include the maintenance, repair or fabrication of electrical equipment or the installation of electrical wiring and equipment covered by ch. PSC 114.

Time Period		Experience Hours	Hours Witnessed by (please print or type)	Signature of Witness	Telephone Number of Witness
Began Month/Yr	Ended Month/Yr				

For each semester in a school of electrical engineering or an electrical-related program, specify the beginning and ending date of the semester, record 500 hours of experience, write the name of the school, and **Attach** a copy of the official transcripts from the school to this form. No experience hours should be recorded if official transcripts are unavailable. This must be full-time schooling, not part time or evening classes.

Time Period		Experience Hours	Name of School
Began Month/Yr	Ended Month/Yr		

In order to obtain the credential the applicant must obtain a score of at least 70% on an examination. The exam will cover information contained in SPS 305 and SPS 316, Wisconsin Administrative Code and the 2008 National Electrical Code. The exam is open book. Copies of current Wisconsin Administrative Codes may be obtained from Document Sales, 608-266-3358 or 800-362-7253. Copies of current National Electrical Codes may be purchased from the National Fire Protection Association, 800-344-3555. When there is a change to Wisconsin Administrative Codes, exams will cover the new code one month after the effective date.

## To schedule an upcoming exam:

- Indicate **FIRST CHOICE (1)** and **SECOND CHOICE (2)** in the event one exam site is full.
- Submit the **fee and this application to the division at least 30 days in advance of the exam date chosen.**
